However, any postponement request will be dealt with on an individual case-by-case basis and will be subject to availability of services.

### **CHANGES TO BOOKING**

ELA reserves the right to change any part of a student's booking due to circumstances beyond the School's control. Changes may include (but are not limited to) moving classrooms, changing teachers, changing course type, changing from face-to-face to online lessons, and accommodation changes. In such cases, no refunds will be given.

### **TRAVEL & HEALTH INSURANCE**

Students must have adequate travel and health insurance to cover the period of time they will be in Malta. The insurance policy should include coverage for cancellations, loss and theft of baggage and personal belongings, medical or psychological conditions, emergency evacuation, and any other eventuality that may occur. ELA shall not be held liable for any costs incurred as a result of the student having no or insufficient insurance cover. ELA offers insurance for students via 'guard.me International Student Insurance' at €10.50 per week.

If a student becomes ill and requires medical assistance, ELA will provide all assistance possible and refer the student to a qualified doctor at a local pharmacy. The doctor will charge the student directly (approximately €20.00). Prices for a home or school consultation are in the region of €20.00 to €30.00 per visit.

Students must report at enrolment stage any psychological or physical illness, allergy, disability or condition that may interfere with their ability to successfully complete their study programme; that may affect the health and well-being of any other student, host or staff member; that may require monitoring, treatment or emergency assistance of any kind; or that may require special accommodations.

### **STUDY VISAS**

Students are responsible for their study visas and must ensure that they apply for the required travel documents in due time before they travel. ELA will provide all necessary documents for students to apply for their visa once full payment has been received. The School must be advised immediately if a visa application is rejected. As visa and immigration regulations are constantly updated and modified, we strongly advise students to check the current rules and regulations with their local embassy.

The latest requirements in Malta can also be viewed at <https://www.identitymalta.com/unit/central-visa-unit/>

## **FIRST DAY**

On their first day students must check in with our Front Office staff at the School reception. They must complete a Registration Form and complete the Placement Test (if they have not already done so online). They will then have their photo taken for their student card according to Maltese law. Students must keep their student card with them at all times during their stay.

## **COURSES & LESSONS & LEVEL OF ENGLISH**

Lessons of any type are always 45 minutes long. Lessons are usually held every morning from Monday to Friday from 09:00 to 12:30 including a 30-minute break. Conversation classes are usually held from 13:00 to 14:30. During high season lessons may be held either in the morning or afternoon due to high demand.

The School is closed on national public holidays. Lessons missed due to School closure on public holidays will be made up on the other days ***whenever possible. This is NOT guaranteed!***

Course material is provided free of charge. Books are available to purchase from the School at €40.00 each.

Students are encouraged to do the ELA Online Placement Test before they travel to Malta for their course so they can go straight to class on arrival. The Placement Test can be accessed via: [ELA Malta Online Test \(office.com\)](http://ELA Malta Online Test (office.com))

Our courses are levelled in accordance with the Common European Framework of Reference:

- Beginner (A1)
- Elementary (A2)

- Intermediate (B1+)
- Upper Intermediate (B2)
- Advanced (C1)

## **EXAMINATION FEES**

Examination entrance fees are not included Examination Preparation Course fees. Transportation to and from the testing centre is also not included. Students taking examinations must take valid passports on the day as national identity cards may not be accepted. ELA recommends that students check with the examination board.

## **STUDENT ATTENDANCE**

Students must attend a minimum of 80% of their lessons to qualify for a Certificate of Attendance. Students that are absent from their lessons without prior authorisation or a valid reason will not be awarded a School Certificate. Students that are regularly absent from their lessons could be expelled from their course. Students that cannot attend their lessons due to illness must submit a doctor's note or a medical certificate to the School by email on the first day of their illness and bring the original on their first day back at school.

If students on a study visa are absent from their lessons regularly, ELA must inform the Malta Immigration Authorities. The study visa could be revoked and lead to the expulsion of the student from their course and accommodation. No refunds will be given if student's study visa is cancelled due to lack of attendance as required by Maltese law.

Students are not allowed into their classroom if they are more than 15 minutes late for class. They will only be allowed to join the class following the next break. This is to minimize disruption to other students and the teacher. Lessons missed due to lateness are not replaced.

Students on a study visa must ensure that their visa start and end dates are correct to include any Holiday Breaks. Holiday Breaks cannot be taken at the end of a course.

ELA will extend the student's tuition course (if requested) free of charge. The School will NOT extend the student's accommodation. The School does not guarantee that any students returning from their holiday break will have the same class, teacher, or accommodation.

## **AIRPORT TRANSFERS**

**STUDENTS THAT BOOK APARTMENT OR HOST FAMILY ACCOMMODATION MUST ALSO BOOK RETURN AIRPORT TAXI TRANSFERS.**

## **ACCOMMODATION**

English Language Academy offers accommodation in shared self-catering apartments (adults only) or at local host families (adults and minors). The School can also provide assistance to students that wish to book hotel accommodation of any star rating.

## **ACCOMMODATION CHECK-IN & CHECK-OUT**

## **APARTMENT DEPOSIT**

A €100 cash deposit is required from every student staying in self-catering apartments. This must be paid at the School reception on the first day of school and will be returned on the last day pending any issues related to the apartment.

## **HOST FAMILIES**

Living with a Maltese host family gives students the opportunity to experience local family life. Living with a family is not like living in a hotel so students must always be respectful of the host family's house rules.

Food likes and dislikes must be discussed with the host family at the beginning of the stay to avoid misunderstandings later.

The family is to be advised of the student's social programme and leisure activities, especially if any meals are going to be missed or the student is going to be late.

The host family's permission is to be asked for before bringing other people to the house.

A key to the house is provided by most host families. Replacement keys will be charged for.

The student's room, bathroom and common areas are to be kept clean and tidy at all times.

The student's room is cleaned and a laundry service will be provided for once a week.

Fans, not ACs, will be provided by the family. IF an AC is in the student's room it will be available at an extra charge payable directly to the host family.

The host family must always be asked if the student wishes to borrow anything which is not provided in the bedroom.

Snacks and drinks taken between meal times are to be bought at the student's expense. Students should not help themselves to food or drinks from the kitchen.

Water and electricity are expensive. Lights and appliances are to be switched off when not in use and water is not to be left running unnecessarily.

Students are expected to pay the host family in full for any breakages/damages for which they are responsible.

The School and host family will not be held responsible for any loss or damage of personal property.

## **SCHOOL POLICY & RULES – STUDENT CONDUCT & BEHAVIOUR**

English Language Academy is an educational institution and expects its students to maintain decent and reasonable standards of behaviour at the school and in the accommodation. All students are bound to abide by the policies and rules of ELA and by the laws governing Malta. Students that regularly fail to observe school policies, guidelines, rules and regulations will be subject to any disciplinary action that ELA feels is appropriate. The School reserves the right to fine students in such cases. Students that continue to break school policies and rules could be expelled from the School with no refund.

## **COMPLAINT PROCEDURE**

Students that have any complaint about any aspect of their ELA language stay must make a report immediately. ELA will do all it can to resolve any issue to the student's satisfaction within 24 hours of receiving the complaint. Complaints that have not been brought to the attention of the School during the student's stay will not be dealt with at a later date.

## **LOSS OF PROPERTY**

English Language Academy will not be held responsible for loss or theft of any student's property from the school or accommodation or any other location. Student's property is the sole responsibility of the student at all times.

## **FORCE MAJEURE**

English Language Academy cannot be held responsible for any failure to deliver its services due to unforeseen circumstances beyond its control brought about by *force majeure*. Nor shall the school be held responsible for any costs incurred by or on behalf of the student as a result of any such cause.

## **PHOTOGRAPHY & FILMING**

ELA occasionally takes photographs and makes videos for use in promotional material and campaigns. At registration on their first day, students are asked to sign a photographic consent form in line with GDPR regulations. It is therefore assumed that pictures taken during lessons or activities or any pictures given to the school or its staff can be used in ELA promotional material. Students that do not wish to be photographed or filmed must advise the School immediately.

## **DATA PROTECTION (GDPR)**

In order to provide its services to students and uphold its obligations to said students, ELA must process and store students' personal information. Such information shall include the following:

*Name and Surname; Date of Birth; Nationality; Mailing Address; Mobile Number; Email Address; Medical Conditions (if any).*

Any information or personal data passed on by students to ELA may be stored in an online or offline format and will be made use of in accordance with the relevant data protection laws, particularly the General Data Protection Regulation. ELA may disclose appropriate personal data to relevant school staff and third parties where there is a legitimate need or obligation to do so.
