Berlitz Proficiency Levels

Our Teaching Our Educational Philosophy

The Berlitz Method lets you approach a new language in a natural fashion. In your Berlitz course you only speak and hear your target language. This means that you learn it as though you were in the country where the language is spoken.

This immersive experience allows you to overcome any inhibitions about speaking by applying your new skills in everyday situations.

Here are some tips to help you develop your English faster:

- ✓ Don't be ashamed of making mistakes. The biggest mistake is not to practise at all!
- ✓ Speak to your teacher or to the academic team for ideas that can help you as an individual.
- ✓ Use English outside the classroom too! Try mixing with other nationalities.
- ✓ Use online resources. Ask your teacher or the academic team for some suggestions.

When a booking is cancelled due to a student visa not being issued by the relevant authorities, a full refund is made (provided the booking is cancelled more than 14 days of expected arrival) upon receipt of the visa rejection letter. A €100.00 Cancellation Fee and the €50.00 visa processing fee are due to the Centre. No refunds on any course or accommodation will be provided if a student's study visa is cancelled due to the student's absenteeism from school or any other student-related issue.

If a student postpones less than 28 days of expected arrival, then the Cancellation Fees listed above shall apply. All postponement requests are subject to availability of services and any changes made to a confirmed booking will incur a cost of €50 administration fee. No more than 3 postponements per booking are accepted.

4. CHANGES TO BOOKING

The Centre reserves the right to change any part of a student's booking due to circumstances beyond the Centre's control. Changes may include (but are not limited to) moving classrooms, changing teachers, changing course type, changing from face-to-face to online lessons, and accommodation changes. In such cases, no refunds will be given.

5. TRAVEL & HEALTH INSURANCE

Students must have adequate travel and health insurance to cover the period of time they will be in Malta. The insurance policy should include coverage for cancellations, loss and theft of baggage and personal belongings, medical or psychological conditions, emergency evacuation, and any other eventuality that may occur. The Centre shall not be held liable for any costs incurred as a result of the student having no or insufficient insurance cover.

The Centre offers **guard.me insurance** for students, on request. This includes cancellation coverage, as well as local health care and medical assistance. We highly recommend including this in your booking. If a student becomes ill and requires medical assistance, the Centre will provide all assistance possible and refer the student to a qualified doctor at a local pharmacy. All medical expenses incurred will need to be covered by the student.

Students must report at enrolment stage any psychological or physical illness, allergy, disability, or condition that hinder their ability to successfully complete their study programme; that may affect the health and well-being of any other student, homestay member, or staff member; that may require monitoring, treatment, or emergency assistance of any kind; or that may require special accommodations and/or medication.

6. VISAS

Responsibility for study visas lies with the students when preparing to travel. Be sure to apply for the necessary travel documents in a timely manner to avoid complications. The Centre will provide all necessary documents for students to apply for their visa once full payment has been received. The Centre must be advised immediately if a visa application is rejected. As visa and immigration regulations are constantly updated and modified, we strongly advise students to check the current rules and regulations with their local embassy.

The latest requirements in Malta can also be viewed at [Identity Malta](https://www.identity.mt/).

A visa Processing Fee of €50.00 applies for every visa application or extension. All expenses related to provision of visa processing will be incurred by the student.

7. LESSON REDUCTION

If a group course has only two students in a class in any particular day, lessons in that class will be reduced by 50%. As soon as additional students join the course, normal lesson times will apply.

8. STUDENT ATTENDANCE & PUNCTUALITY

Students are expected to attend lessons and be on time. Students are not allowed into their classroom if they are more than 15 minutes late. They will only be allowed to join the class following the next break. This is to minimize disruption to other students and the teacher. We do not compensate for lessons missed due to late arrivals.

Students must attend a minimum of 80% of their lessons to qualify for a Certificate of Attendance. Students that are absent from their lessons without prior authorisation or a valid reason will not be awarded a Centre Certificate. Students that are regularly absent from their lessons could be expelled from their course. Students that cannot attend their lessons due to illness must submit a doctor's note or a medical certificate to the Centre by email on the first day of their illness and bring the original on their first day back at school.

All absences of students on a study visa will be immediately reported to the immigration authorities. The study visa could be revoked and lead to the expulsion of the student from their course and accommodation. No refunds will be given if a student's study visa is cancelled due to lack of attendance as required by Maltese law.

9. HOLIDAY BREAKS

Long stay students are entitled to a Holiday Break whilst studying at the Centre for longer than 8 weeks.

- Students on courses from 8 to 23 weeks can apply for 2 weeks Holiday Break.
- Students on courses of 24 weeks and over can apply for 4 weeks Holiday Break.

Students must notify the Centre at least 2 weeks before they take a Holiday Break and obtain authorisation from the Director of Studies. Students on a study visa must ensure that their visa start and end dates are correct to include any Holiday Breaks. Holiday Breaks cannot be taken at the end of a course.

The Centre will extend the student's tuition course (if requested) free of charge. The Centre will **NOT** extend the student's accommodation free of charge. Students wishing to extend their accommodation will have to pay the brochure

price. The Centre can only extend the accommodation subject to availability.

The Centre does not guarantee that any students returning from their holiday break will have the same class, teacher, or accommodation.

8. AIRPORT TRANSFERS

Students booking return airport transfers must provide arrival and departure flight details (including flight numbers and flight times) at least 7 days prior to their arrival in Malta. The Centre will not be held responsible and no refunds will be given for missed airport transfers if details are not sent in time.
